

Questionnaire for PIT (Project for Tertiary Education)

With PIT (Project for Tertiary Education) we want to help deserving boys and girls with the expenses necessary to attend university or professional courses so that they can approach the world of work. The PIT is thought of as a continuation of the support and, since the costs are higher than school costs, we prefer that the supporters continue to contribute to the costs of education, but we also try to evaluate contributions from the Association.

The grant of the solidarity scholarships is approved by the Board of the Association Faggio Vallombrosano. The Board will evaluate the eligibility of each applicant. For this reason, please, provide all the details on the costs to help us present the request for sponsorship to the Board in the best way possible.

Details of the boy/girl to be sponsored:	
Country:	
Center:	
Name:	
Surname:	
Sex:	
Date of birth:	
Resident in:	

Family Situation:	
Describe your family unit:	
What is the total family income?
